DETAILED ACTION

Allowable Subject Matter

Claims 2-17 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 2,8-10 and 11-13.

None of the prior arts alone or in combination discloses a laser irradiation apparatus having the structural combination of an optical system with a lens for dividing the laser beam in one direction, an optical system for overlapping the divided laser beams and a slit between the beam source and the lens for forming edges.

Regarding claim 3.

None of the prior arts alone or in combination discloses a laser irradiation apparatus having the structural combination of an optical system with a lens for dividing the laser beam in one direction, an optical system for overlapping the divided laser beams and having the width of the optical system for dividing the laser beam narrower than the maximum width of the laser beam before being divided.

Regarding claims 4,14-17.

None of the prior arts alone or in combination discloses a laser irradiation apparatus having the structural combination of an optical system with a lens for dividing the laser beam in one direction, an optical system for overlapping the divided laser beams and having the lens for dividing the laser beam shielded. Thereby, forming edges.
